## Automatic Funds Transfer

To make parish donations more convenient, many parishioners have asked about the possibility of automatically transferring funds from their checking or savings account to the St. Mary Catholic Community account.

Automatic fund transfers have proven to be an efficient and convenient method for many people to meet their financial commitments. It is also very helpful to our parish for budgeting and planning various programs and expenses throughout the year.

To take advantage of this convenient method of making parish contributions, please complete the form below and attach a voided check.
